

REKSAP Centres for Early Learning provides a safe, well-supervised facility with comfortable atmosphere in which the daily program meets the needs and interests of the participating children. The program goals are to provide both individual and group learning opportunities in both indoor and outdoor environments. The curriculum is designed to allow flexible, spontaneous activities based on the children's interests.

Following HDLH and ELECT, our Registered Early Childhood Educators provide a stimulating, educational, play-based environment which guides the children's learning, enhances their knowledge, and meets their individual developmental needs.

Registered Early Childhood Educator

Qualifications

- Early Childhood Education Diploma
- Membership in good standing with the College of Early Childhood Educators
- Valid First Aid and CPR
- Valid Vulnerable Sector Check
- Up to date immunizations
