DIY Bowling

Materials:

- Empty water bottles
- or plastic/paper cups
- Tennis ball

Set up the bottles/cups in a triangle shape.
Roll the ball to see how many "pins" you can knock down!

Stacking the cups is a great skill building activity, as well.

If using bottles as pins, add a bit of water in the bottom as an added challenge.

REKSAP Kids

(Sung to the tune of "When the Saints Go Marching In")

This song is like the REKSAP anthem.

Every class in both programs know it.

REKSAP children have sung this song for many years.

Those REKSAP kids

Go marching in!

When REKSAP kids go marching in...

Oh, I want to be in that classroom.

Yes I do!

When REKSAP kids go marching in

Oh, when the sun,

Refuses to shine!

Oh, when the sun refuses to shine.

I'll get up and blow my trumpet!

Toodle-dee-doo!

When the sun refuses to shine

REPEAT first verse.
